# MASTER OF REINFORCEMENT MATERIALS

2005년 설립 이래 국내주요 조선소 및 석유화학플랜트에 배관 및 구조보강 자재를 지속적으로 원활하게 공급함으로써 조선 및 플랜트 산업에 일익을 담당하고 있습니다.

친환경 에너지 LNG 사업 확장으로 환경과 미래를 생각하는 기업으로 성장할 것입니다.

Since its establishment in 2005, it has been responsible for the shipbuilding and plant industry by supplying materials to major shipbuilders and oil plants. By expanding our eco-friendly energy LNG business, we will grow into a company that thinks about the environment and the future.
